P.O. Box 12659, Olympia, WA 98508-2659

202 Delphi Road SW

(360) 866-7383

Welcome!

Westside Cooperative Preschool admits students of any race, color, national or ethnic origin and grants them all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational or admissions policies, scholarships or other school-administered programs.

Students are enrolled on a first come first served basis.

Registration fees are due upon enrollment and are assessed per family. They are non-refundable once a child has been accepted into a class unless the class is canceled. The final month's tuition as described in the enclosed tuition and fee schedule is due upon enrollment.

All registration forms are due upon enrollment. Please complete an application form for each child being enrolled (Sibling applications are available). All parents who will have contact with the children through parent helping, spending time in the classroom or by attending field trips, must submit a Washington State Patrol Request for Criminal History Information form. The Certificate of Immunization Status needs to be completed and turned in before your child's first day of school even if your child is exempt (see the back of that form for more information).

Westside Cooperative Preschool is affiliated with South Puget Sound Community College. One or both parents enroll in a credit-bearing SPSCC course at no extra charge. Families earn college credit by attending 9 parent education meetings per academic year and parent helping in their child's class 1-2 times per month. Westside Co-op Preschool provides a lab-school experience, with parents and children learning together.

College instructors (called Family Educators) offer a variety of classes, discussions and forums on early childhood behavior, development, and age-appropriate activities. The sessions are offered on average once a month and make up opportunities are available for those unable to attend meetings. See attached membership requirements for further details.

Please keep the enclosed Tuition Schedule and description of Cooperative commitments for reference purposes until you receive your parent handbook in the fall. Should you have any questions, please feel free to leave a message at the school and a Parent Volunteer will call you as soon as possible.

Thank you.

## Tuition Scholarships

Westside Cooperative Preschool offers a limited number of 75%, 50% and 25% tuition scholarships. Scholarships are distributed on a first-come, first-served basis to eligible families. The equivalent of one child's tuition at 100% is allocated for each class. Applications and additional information can be obtained from the Membership Chairperson or Treasurer.

The Preschool uses the national poverty standards (see below) as a general guideline. Consideration is also given to extraordinary additional out-of-pocket expenses for costs such as medical, more than one child enrolled at WCP, the need for an aide to be present at the preschool in order for a child to participate, etc.

<b>Size of Family Unit</b>	<b><u>75% Scholarship</u> (125% Maximum Gross Income [M.G.I] for Year)</b>	<b><u>50% Scholarship</u> (150% of M.G.I.)</b>	<b><u>25% Scholarship</u> (175% of M.G.I.)</b>

6	\$35,500	\$42,600	\$49,700
7	\$40,000	\$48,000	\$56,000
8	\$44,500	\$53,400	\$62,300
For each add'l, add	\$ 4,500	\$ 5,400	\$ 6,300

*For 2008 (updated figures can be found at <http://aspe.hhs.gov/poverty/>)*

Applications for tuition scholarships are confidential. A former Preschool member has been selected to review applications and determine eligibility. If a member disagrees with the decision made by the scholarship reviewer, they may appeal in writing to the Preschool Executive Board.

If you are awarded a tuition scholarship, you are responsible for paying the balance of tuition by the due date each month and for fulfilling all other membership responsibilities.

Families requesting scholarships must complete both the scholarship application and all other registration forms in order to be considered. Additionally, all families must pay the registration fee and the first month's tuition, unless other arrangements are made with the WCP Treasurer. Your portion of the last month's tuition will be due upon completion of the scholarship application review unless a credit is due.

Families must reapply for scholarships each year and, in some cases, applications are reviewed mid-year. If you would like additional information, please contact WCP's Treasurer by calling the preschool at 866-7383.

## **Membership Requirements for Yellow, Orange and Red Class families:**

**Parent Helping:** Parents help in the classroom on a rotating basis and on average 1-2 times per month for Yellow and 2 times per month for Orange and Red classes. There are two helpers per class. Parent helpers must arrive 15 minutes before class begins and allow 25 - 30 minutes after class for cleanup. For insurance reasons, **children who are not enrolled in the class may not accompany parents who are parent helping.** A mandatory Parent Help Training Session will be held before school begins in the fall. Parents who miss this meeting are required to read the Parent Handbook and observe the Parent Helpers for a class prior to starting your parent help requirement.

**Preschool Job:** Your active involvement makes our preschool operate effectively, efficiently and economically. All families are assigned a job and serve on a specific team, which normally requires an average 4-6 hour time commitment per month (12 months starting in June).

**Meetings:** Attendance at Class Meetings is required. Three class meetings are held in the fall (Sept., Oct., Nov.), one in winter and one in the spring. Members are required to attend the two All School Meetings held twice a year (August and March). All members are welcome but not required to attend the Board Meetings held monthly at the school. Any issues to be discussed need to be on the agenda ahead of time (see the Co-Leader 1 for this).

**Parent Education Credits:** As a requirement of our partnership with SPSCC, a total of six parent education credits need to be earned per family each year. There will be numerous parent education opportunities offered throughout the year, some examples of which are: attending class meetings; attending board meetings; participating in education forums or completing credit work at home. Families with multiple children enrolled still only need to earn six credits per year (Board members earn 9).

**Weekend Cleanup:** Each family is required to clean the school and outdoor toy shed at least one weekend per year regardless of when they join the school. It is usually a 4-5 hour time commitment. A list of the cleaning tasks is provided at the preschool. Families with more than one child attending Westside Cooperative Preschool are responsible for only one weekend cleanup, provided there are enough families to cover every weekend. Board members are excluded from these duties.

**Summer Work Party or Task:** All families must participate in one of the summer work parties each year. In the event a family is unable to make it to one of the three scheduled work parties or joins mid-year, they will be assigned a 4-5 hour comparable task sometime during the school year to make up for it.

**Fundraising:** Fundraising is a vital part of our school program. Without it tuition would need to be increased and our program would suffer. All families need to participate in the school's fundraising efforts in order for them to be successful. If you would rather, in lieu of your active participation, you may pay a predetermined monetary amount set by the Board (due in October or one month after enrollment if joining mid-year). **The current fundraising buyout is \$150.** More information regarding fundraising events and participation is covered at the initial All School Meeting in September.
